CHICAGO. Aug. 22—Forcign cables caused weakening in wheat today at the opering. Final quotations on December are down 24.65c, at \$1.851-6 to \$1.07. For this first half-hour the market was very tratte, prices inductating nervously. As soon as the rush of selling was spent, however, the domestic situation again chame into prominence. As it apparently showed no improvement many traders, ignoring the lorge shipments to Europe from other countries. Secame active billy era of the deformed futures. As a result the market suddenly turned strong. A report of a local crop stotistician, at the interfect suddenly turned strong and winter wheat is not above 70.
